## THE INSPIRATION

Throughout centuries of design evolution, the arch has endured as an architectural element that adds beauty, balance, and an inviting sense of openness. The Murray Hill™ Collection features a traditional arch shape and contemporary pill shape that make a dramatic visual impact while lending softness to your space.

## Pill Medicine Cabinet

Add height and harmony without forgoing functionality. The innovative design nestles a recessed cabinet within the soft curves of a framed pill mirror, allowing for optimal flexibility when installing in small spaces or accommodating a tall faucet.

20" W × 30" H × 4" D recessed cabinet  
50" H with frame and surround

When installed, Murray Hill cabinet doors, frame, and mirror surround are all flush and stand 1" off the wall.

## Add-On Accessories

The finer points make all the difference. Thoughtful details and accessories enrich the everyday experience and make the getting-ready routine feel effortless.

With key code entry and remote access via smartphone, the IQ Digital Lock Box gives you total control over your personal items. Set medication reminders, get usage updates, and receive alerts if tampering is detected.

### **IQ™ DIGITAL LOCK BOX**

Designed to mount seamlessly and securely into your Robern cabinet, the IQ Digital Lock Box keeps personal items, passports, valuables, and medication securely stored for complete peace of mind.

### OPTIONAL HANDLE

Constructed from solid stainless steel with a polished finish, an optional handle provides an easy-to-reach alternative to the hidden pull on the door edge — ideal for multi-cabinet arrays.

### GLASS STORAGE BINS

Maximize storage space and keep loose items from spilling out of the cabinet. Ideal for high-moisture environments, these stylish and sturdy glass bins are designed to seamlessly fit your Robern cabinet.
