HOSPITALITY & COMMERCIAL SPACES

EXPERIENCE THE DIFFERENCE

At Robern, we've built our reputation on creating unexpected spaces that leave a lasting impression.

Exclusive to hospitality, commercial, and multifamily projects, we offer an expanded portfolio of lighted mirrors, medicine cabinets, vanities, shower enclosures, shower hardware, and magnification mirrors to elevate your bathroom designs.

The result: a single-source solution with limitless possibilities.

OUR STORY

On September 8, 1968, the Robern brand was born.

To meet the increasingly upscale tastes of customers, Rosa and Bernie Meyers reinvented the standard mirrors, medicine cabinets, and vanities of the day, elevating these utilitarian pieces into sophisticated and coveted décor.

What has followed is an enduring legacy of unparalleled craftsmanship, meaningful innovation, and luxurious functionality that continues to set us apart — and never rests.

Ro + Bern = Robern.

A new name for a new era in design.

THE ROBERN LEGACY

Leadership in design. We bring more than 50 years as an industry leader in luxury medicine cabinets, lighting, vanities, and lighted mirrors.

American Made. Robern products are engineered and hand-assembled in Bristol, Pennsylvania.

Craftsmanship. Each piece is meticulously crafted with the highest quality materials and elevated details.

Bespoke Design. Choose from custom and configurable solutions to bring your vision to life.

Superior Service. Streamline your project with a one-stop solution, backed by the unwavering support of our custom design team.

Designer and Trade Loyalty. We offer a range of partnership programs for the discerning customer who appreciates exceptional design.

Backed by Kohler. Your project, your business, and your brand have a partner to rely on.

OUR PROCESS

Robern offers a dedicated custom design team who can help you create bespoke solutions for both residential and commercial projects.

Contact our team with your vision, and we'll use our collective expertise in storage, lighting, and reflective surfaces to make it a reality.

Learn more about how our custom design team will work with you every step of the way.

INSPIRATION

The process begins with your creative vision. Our team will meet with you to make recommendations based on project size, budget, and timeline.

DEVELOPMENT

Our engineering team will work to create renderings, order samples, and build prototypes to ensure our design reflects your vision.

PRODUCTION

As our custom craftsmen bring your design to life, Robern will provide engineering and quality control for your order, along with any required certifications.

DELIVERY

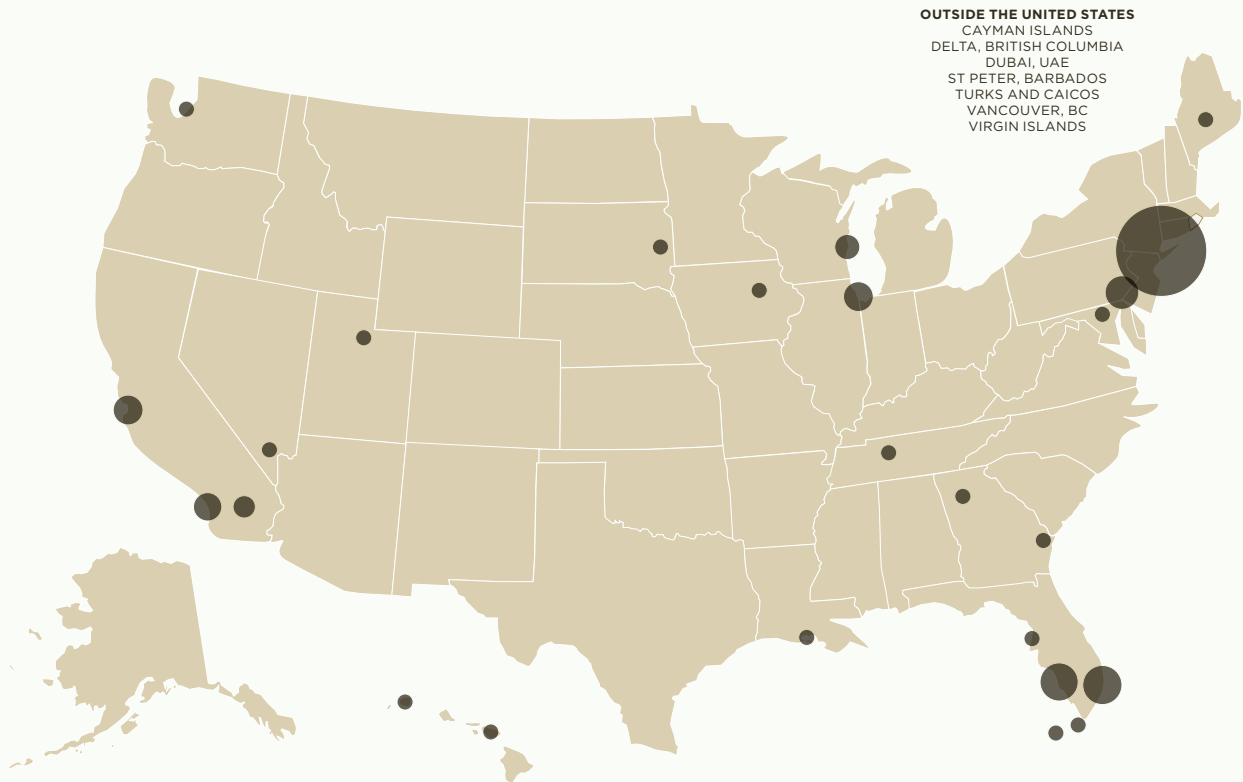

A dedicated team member will see your order through completion and ensure each shipment safely arrives where it is needed, when it is needed.

SUPPORT

Robern offers the peace of mind of knowing our team will be available to support you throughout the process — and for years to come.

CUSTOMIZING YOUR LIGHTED MIRROR

Expand the possibilities. Contact our custom design team to discuss additional options for sizing, framing, features, and certifications.

CUSTOM SIZES

For large-scale projects, custom sizes are available in any combination up to 72" wide and 72" high.

COMPLIANCE

We offer mirrors that are certified as high efficacy, meeting California Title 24 performance requirements for use in residential and commercial projects.

Robern Lighted Mirrors are ETL/UL Certified for damp locations.

DEFOGGER

Defogging technology ensures a clear reflection, so a steamy shower won't interfere with the morning routine.

NIGHT LIGHT

Soft LED lighting illuminates your essentials and provides wayfinding light in the middle of the night.

CUSTOM FRAMING

Add dimension with custom framing options in a variety of metal finishes to complement your design.

ADDITIONAL CUSTOM OPTIONS

- Occupancy sensor
- USB charging
- Digital clock
- Light patterns
- Light color temperatures
- Capacitive-touch control

HANDCRAFTED CONSTRUCTION AND CUSTOMIZABLE OPTIONS

Hemingway custom shower enclosures are meticulously handcrafted from stainless steel to ensure durability over time. Additional enhancements are available to create a truly custom shower solution.

HEMINGWAY™ SHOWER ENCLOSURES

FRAME STYLE OPTIONS

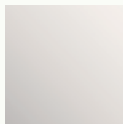

Three distinct framing styles are available in a Polished Stainless Steel or Matte Black finish to complement your styling space design.

Thin Frame provides more glass for a modern appearance, while Thick Frame adds a bolder decorative element. Panel Frame creates the authentic look of individual glass panes with horizontal and vertical metal grilles attached to the interior and exterior of the glass.

NIGHT LIGHT

Soft LED lighting illuminates your essentials and provides wayfinding light in the middle of the night.

CAPACITIVE CONTROL

An elegant dimming switch on the mirror provides touch controls for lighted medicine cabinets.

DEFOGGER

Defogging technology ensures a clear reflection, so a steamy shower won't interfere with the morning routine.
