MIRRORS AND LIGHTING

VANITIES

## SUBSTANCE AND STYLE

Luxurious products match the décor throughout the property. High-quality materials that are easy to clean and maintain. Smart design that puts essential guest amenities out of sight but close at hand, and cutting-edge lighting that makes your properties and your guests look their best. **This is Robern hospitality solutions.**

NIGHTSTANDS, CREDENZAS,  
DRESSERS .....

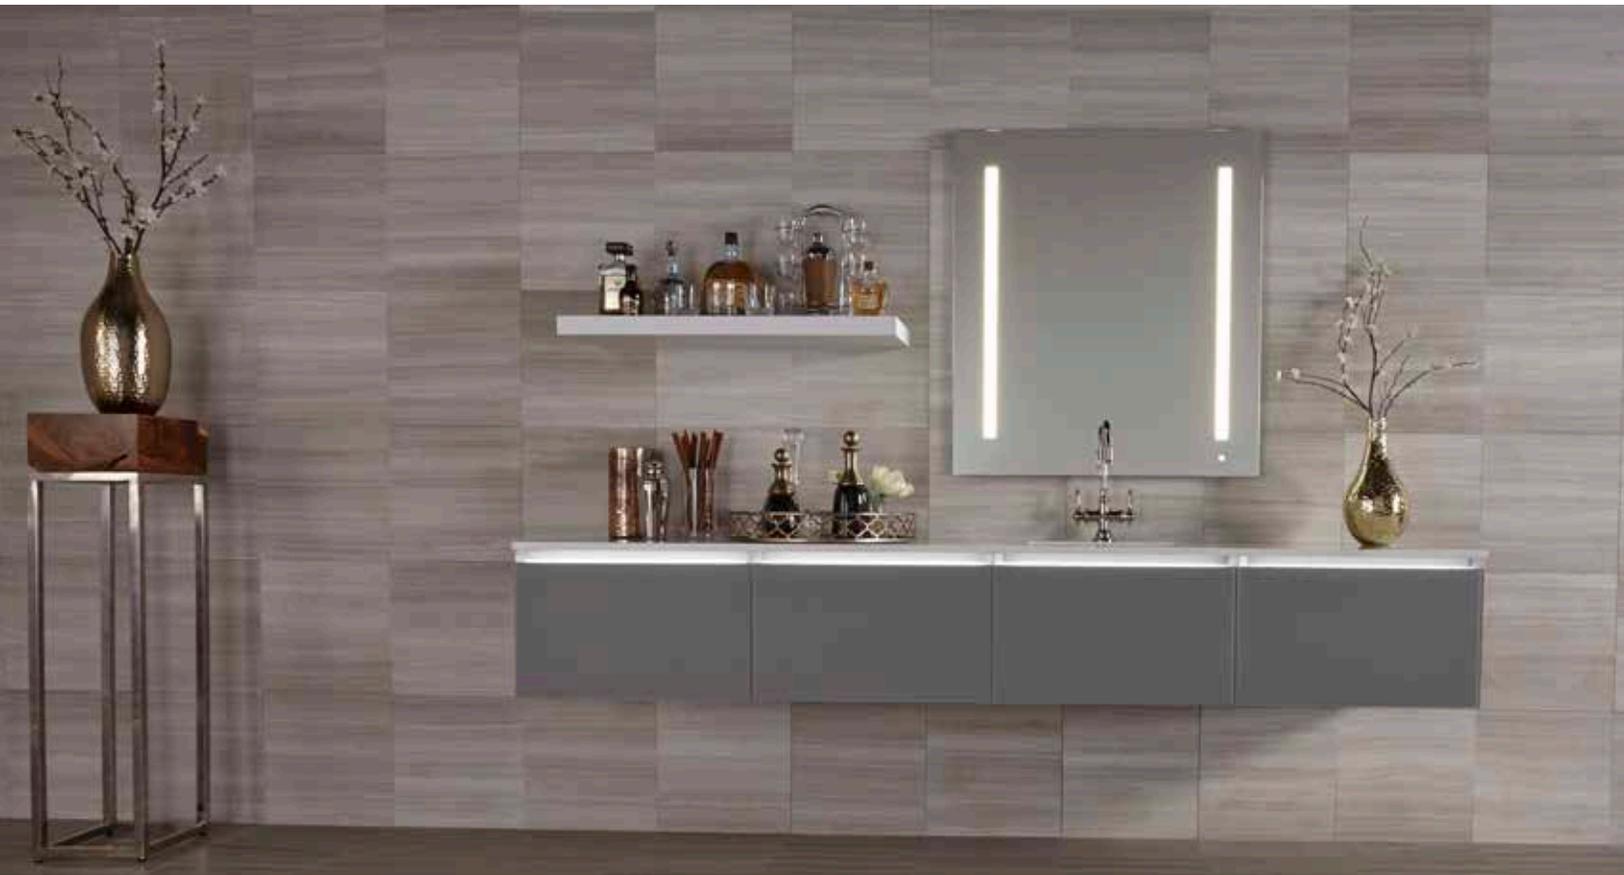

## HISTORY

Robern style grows out of a commitment to celebrating and fostering individual expression. Since 1968, expert craftsmanship and the finest-quality materials have been the hallmark of that commitment, and it's evident in every piece we create. All products are designed and assembled in the Bristol, Pennsylvania, and as part of the Kohler family, you can be sure Robern is a partner you can rely on.

At Robern, we understand how important it is to maintain a continuous brand experience, to maximize the efficiency of your space, and to keep operational and maintenance costs to a minimum. With a wide selection of customizable options that are thoughtful, smart, and authentic — **we understand hospitality.**

# robern.

For a seamless experience, your brand extends to each interaction a guest has with your design. To create that experience, **Robern** excels at delivering the highest quality with flexible designs.

# DESIGN VERSATILITY

ROBERN CRAFTSMANSHIP, YOUR DESIGN

**Our solutions are built on collaboration.** As your partner in the development of a seamless guest experience, we work closely with you to identify and design the best choices for your guestrooms and public spaces.

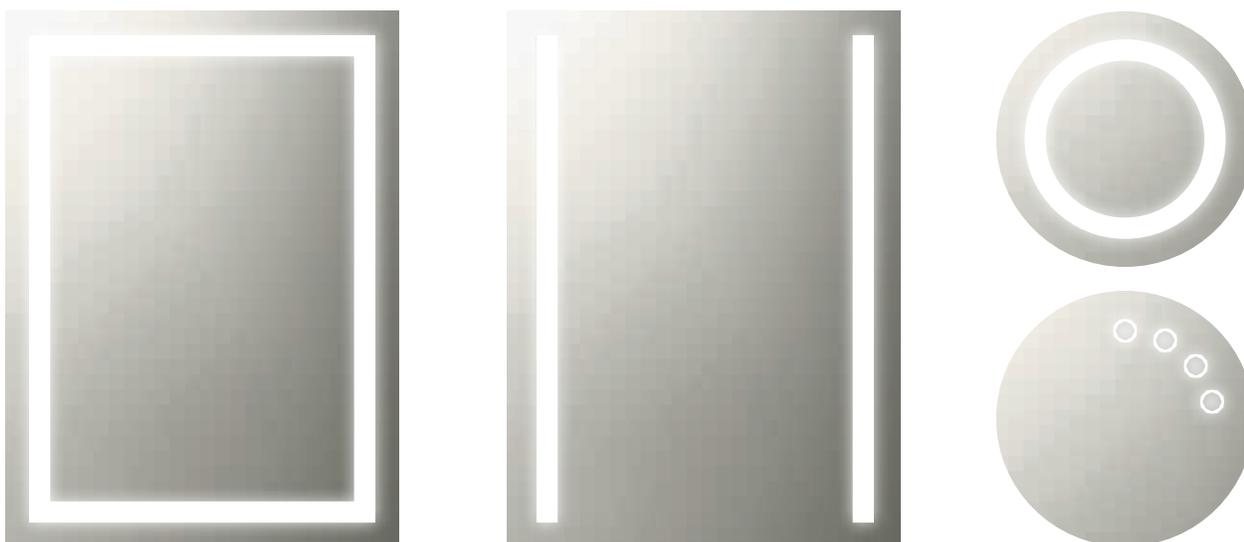

## ROBERN CRAFTSMANSHIP, YOUR DESIGN

Every Robern product is precision-engineered with distinct aesthetics and quality to the core. **Modularity and customization are our guiding principles, ensuring each piece is a perfect addition to your space.**

With products designed and assembled in the U.S., design teams just a phone call or a short flight away, a warranty standing behind every one of our products, and the Kohler name providing long-term reliability, collaborating with Robern means getting the greatest level of support for your specific design requirements.

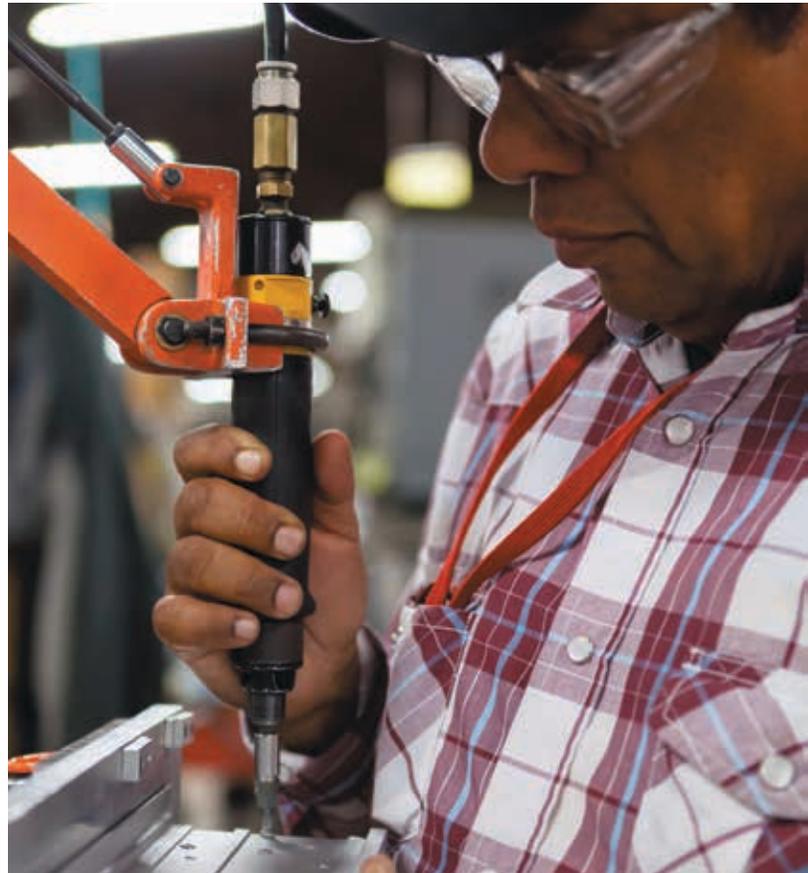

# COLLABORATIVE DESIGN

FINISHED  
STYLING SPACE

The clean and modern design of our hospitality products begins with the highest quality materials that are hand-crafted in the U.S. to create fixtures and furnishings built to last. Aluminum and glass are two of the signature premium materials our craftsmen transform into distinctive Robern mirrors and vanities.

#### ALWAYS SUSTAINABLE

Robern is pleased to offer a range of renewable, recycled, and recyclable materials in each design to support our shared commitment to preserving the environment and strengthening our communities.

# QUALITY CRAFTSMANSHIP

Each furnishing from Robern is carefully considered for usability and ergonomics. Every detail in each of our pieces is carefully considered, and guests are delighted by unexpected and understated features such as integrated lighting, on-mirror light control (LUM), hair dryer or hidden waste bin.

## CANDRE

Portraying contemporary glamour and straightforward lines, Candre mirrors reflective colored glass and polished metal surfaces offer a striking depth of design. This pure sophistication shines in bathrooms and bedroom suites.

## MAIN LINE

Main Line mirrors are an elegant showpiece, with understated framing perfect for any space in the guestroom and beyond. Available in 4 distinct frame profiles and 6 metal finishes, Main Line framed mirrors ensure that you're looking your best from all angles.

From the lobby restroom to the guestroom vestibule, see what a difference a perfect mirror, perfectly framed, can make.

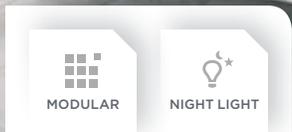

## REFLEXION

With a built in defogger and position perfect lighting, the Reflexion mirror provides a warm, inviting and always ready styling space. The floating lights provide even illumination ideal for every day grooming tasks.

## DECORATIVE FRAMES

In keeping with more of a time-honored traditional look, Robern will customize a mirror frame to match or compliment those applications that are targeting more of a classic, soothing space.

# VANITIES

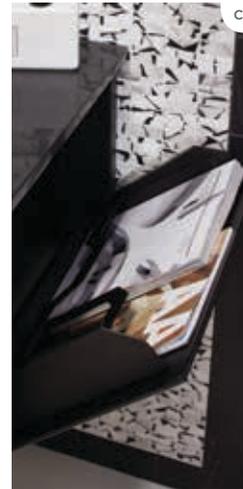

## CARTESIAN

Flawless craftsmanship and precision engineering make the Cartesian vanity a striking and modular addition to the guestroom, with extras like in-drawer electrical outlets and organization kit. Designed with a passion for craftsmanship, ingenuity and precision engineering, Robern's Cartesian vanity is the most diverse, standard vanity on the market.

And with each of the individual modules offered in a variety of lengths, heights and depths, an end resulting vanity build is really limited only by one's imagination.

From the clean, customizable look to the graceful feel of the slow-close drawer, a vanity makes an ideal centerpiece for your guestrooms.

## ADORN

The Adorn Vanity redefines style and customization, with modules that can scale seamlessly to a space of any size. Whether your style is contemporary or traditional, Adorn provides the style and ergonomics to match.

## V14

Designed to mount horizontally or stack vertically, the V14 vanity lets you create a unique layout with smartly designed storage space with push-to-open or slow-close drawers.

# VANITY TOPS

## STONE TOPS

Robern stone tops can be cut to size and configured to accommodate a sink for the vanity assembly or without a sink for a wall mounted nightstand or credenza assembly. Also ask about Robern's custom-made, molded tops into which shapes like a soap holder or dry space can be incorporated.

## GLASS TOPS

Robern glass tops are available in white glass and can also be cut to size and configured to accommodate a sink for the vanity assembly or without a sink for a wall mounted nightstand or credenza assembly.

# LIGHTING

## INLINE <sup>A</sup>

When every element of a guest bathroom's design is both beautiful and functional, InLine delivers precision lighting to support each guest's unique needs. InLine is designed so that the light front is flush with the mirror front for a clean look. It can be used with one mirror or ganged with multiple mirrors.

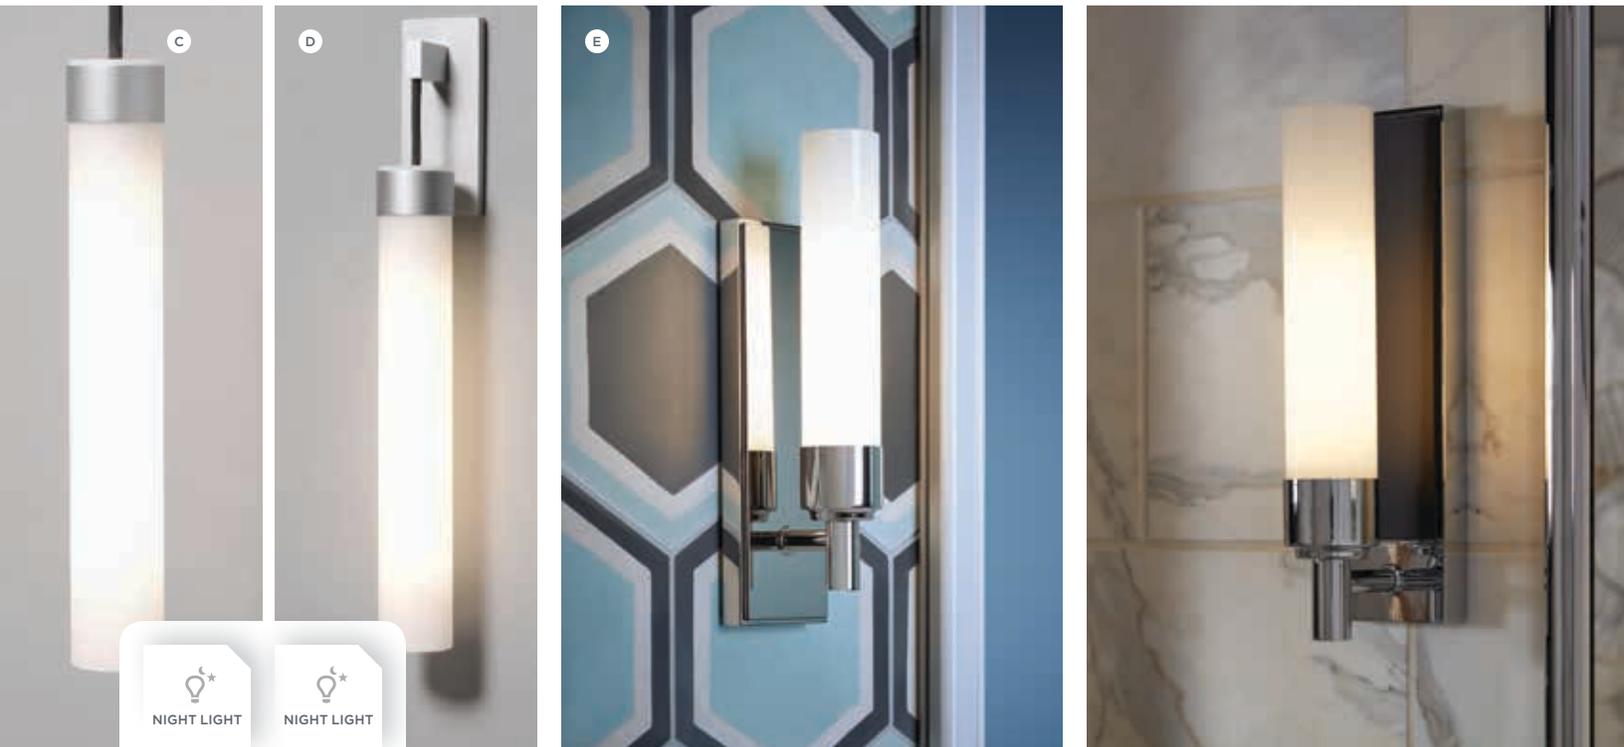

## REFLEXION <sup>B</sup>

Reflexion lights provide warm, even illumination for any grooming task such as applying makeup and shaving. When installed, Reflexion lights are aligned for even distribution, which prevents shadowing.

## M SERIES

Robern's M Series lighting integrates seamlessly into a room's decor while offering optimal task lighting for everyday grooming tasks.

Add style, sophistication and light to your space with pendants, sconces, vertical and top mount lighting. The finest materials and innovative technology combine for a sleek and sophisticated accent to any design.

## UPLIFT C D

Sleek and minimalist in style, warm and inviting in use, Uplift delivers an elevated level of efficiency and versatility.

## MAIN LINE E

Light up a guestroom and create a striking effect with classic sconces available in six metal finishes.

## DECORATIVE GLASS

When your design calls for dramatic and sophisticated lighting, Decorative Glass Sconces provide modernist glamor in 18 different options.
