SUBSTANCE AND STYLE

Luxurious products match the décor throughout the property. High-quality materials that are easy to clean and maintain. Smart design that puts essential guest amenities out of sight but close at hand, and cutting-edge lighting that makes your properties and your guests look their best. **This is Robern hospitality solutions.**

With a contemporary aesthetic and flawless craftsmanship, Robern style creates extraordinary spaces for your guests to experience and remember. **With Robern quality backed by Kohler,** your project, your business, and your brand have a partner to rely on.

HISTORY

Robern style grows out of a commitment to celebrating and fostering individual expression. Since 1968, expert craftsmanship and the finest-quality materials have been the hallmark of that commitment, and it's evident in every piece we create. Our products are designed and assembled in Bristol, Pennsylvania, and as part of the Kohler family, you can be sure Robern is a partner you can rely on.

At Robern, we understand how important it is to maintain a continuous brand experience, to maximize the efficiency of your space, and to keep operational and maintenance costs to a minimum. With a wide selection of customizable options that are thoughtful, smart, and authentic — **we understand hospitality.**

DESIGN VERSATILITY

ROBERN CRAFTSMANSHIP, YOUR DESIGN

Our solutions are built on collaboration. As your partner in the development of a seamless guest experience, we work closely with you to identify and design the best choices for your guestrooms and public spaces.

For a seamless experience, your brand extends to each interaction a guest has with your design. To create that experience, **Robern** excels at delivering the highest quality with flexible designs.

INLINE

Robern's InLine suite of mirrors consists of our M Series or PL Series mirrors combined with its own InLine vertical lighting. Between the available mirror options and sizes, this makes for a very modular set of components that makes them extremely adaptable to varying room spaces for those properties that require multiple, dimensional variations of the same product.

MIRRORS

CANDRE®

Portraying contemporary glamour and straightforward lines, Candre mirrors reflective colored glass and polished metal surfaces offer a striking depth of design.

MAIN LINE

Main Line mirrors are an elegant showpiece, with understated framing perfect for any space in the guestroom and beyond. Available in 4 distinct frame profiles and 6 metal finishes.

REFLEXION®

With a built in defogger and position perfect lighting, the Reflexion mirror provides a warm, inviting and always ready styling space.

DECORATIVE FRAMES

Robern will customize a mirror frame to match or compliment those applications that are targeting more of a classic, soothing space.

VANITIES

CARTESIAN™

Flawless craftsmanship and precision engineering make the Cartesian vanity a striking and modular addition to the guestroom, with extras like in-drawer electrical outlets and organization kit. Designed with a passion for craftsmanship, ingenuity and precision engineering, Robern's Cartesian vanity is the most diverse, standard vanity on the market.

V14®

Designed to mount horizontally or stack vertically, the V14 vanity lets you create a unique layout with smartly designed storage space with push-to-open or slow-close drawers.

VANITIES

BALLETTO®

Transitional and contemporary, the Balletto vanity balances comfort, function, and elegance in a timeless, minimalist design. Hidden side storage options can house hand towels, tissues, waste, magazines or toiletries.

ADORN™ AND ADORN™ II

The Adorn Vanity redefines style and customization, with modules that can scale seamlessly to a space of any size. Whether your style is contemporary or traditional, Adorn provides the style and ergonomics to match.

VANITY TOPS

STONE TOPS

Robern stone tops can be cut to size and configured to accommodate a sink for the vanity assembly or without a sink for a wall mounted nightstand or credenza assembly. Also ask about Robern's custom-made, molded tops into which shapes like a soap holder or dry space can be incorporated.

GLASS TOPS

Robern glass tops are available in white glass and can also be cut to size and configured to accommodate a sink for the vanity assembly or without a sink for a wall mounted nightstand or credenza assembly.

LIGHTING

INLINE®

InLine is designed so that the light front is flush with the mirror front for a clean look.

REFLEXION®

Reflexion lights provide warm, even illumination for any grooming task such as applying makeup and shaving.

M SERIES

Lighting that integrates seamlessly into a room's decor while offering optimal task lighting for everyday grooming tasks.

LIGHTING
