Perfect light is now within reach. The Vitality Lighted Collection offers thoughtful innovation, ease of installation, and the highest quality of lighting in its class — all in a sleek, sophisticated design that will elevate any styling space.
INTRODUCING VITALITY MEDICINE CABINETS

With its timeless design, personalized storage options, and high-quality integrated lighting, the Vitality Lighted Medicine Cabinet adds stylish functionality to any space.
MAXIMIZE YOUR SPACE  Vitality Lighted Mirrors and Medicine Cabinets provide bright, even task lighting that eliminates the need for overhead lighting fixtures or sconces.
Remarkably accurate color rendering, with a CRI value of 90+ and R9 of 50+, ensures the truest reflection.

OPTIMAL TASK LIGHTING
With a high lumen output and ideal placement in relation to the face and body, Vitality Lighted Mirrors and Medicine Cabinets eliminate harsh shadows and provide bright, even task lighting.

Eliminate the harsh shadows caused by ordinary lighting.

LED COLOR TEMPERATURE
Choose your Kelvin color temperature to provide warm mood lighting or cool, energizing task lighting.

WARMER

4000 KELVIN

COOLER

2700 KELVIN

HIGH COLOR RENDERING INDEX (CRI)
Remarkably accurate color rendering, with a CRI value of 90+ and R9 of 50+, ensures the truest reflection.
IDEAL ILLUMINATION  Achieve the decorative illumination of ambient light with Vitality® Lighted Mirrors, which creates a soft glow that envelops the space and brings a brilliant silhouette effect to your mirror for a natural warmth and relaxing, spa-like ambiance.

DIMMABLE LEDS  Select the ideal brightness for any task with smooth, continuous dimming to 1%.
WAYFINDING LIGHT  Dim the LEDs to create a soft lighting which provides visibility for wayfinding at night and illuminates the general space with low, diffused light that is soft on the eyes.

DEFOGGING  Available in Vitality Lighted Mirrors, defogging technology ensures a clear reflection, so a steamy shower won’t slow down the morning routine.
DESIGN CONSIDERATIONS

FOR MEDICINE CABINETS

INTUITIVE STORAGE
Personalize your styling space storage with add-on accessories including glass bins, a safety lock box, and tiered trays.

LIGHTING CONTROLS
For the ultimate lighting control, we recommend pairing your Vitality® Lighted Mirror and Medicine Cabinet with LED dimmers and controls to achieve smooth and continuous dimming, scenes control, app control and timeclock.
FOR MIRRORS

EASE OF INSTALLATION
With simple plug-in installation and durable pinch cleat mounting, the Plug and Hang™ system makes installation effortless for both new construction and renovations.

RECOMMENDED DIMMERS AND OCCUPANCY CONTROLS
