MIRRORS

Quality of Light

Primping, prepping, styling, or shaving — Vitality Lighted Medicine Cabinets have been carefully designed to eliminate harsh shadows and provide bright, even task lighting. Choose between warm mood lighting (3000K) or cool, energizing task lighting (4000K).

Technology

State-of-the-art features — including flicker-free dimming, in-cabinet outlets, and a Safeseal gasket for dust-free functionality — create a simplified, streamlined experience that leaves a lasting impression.

INCLUDED

ELECTRICAL OUTLETS

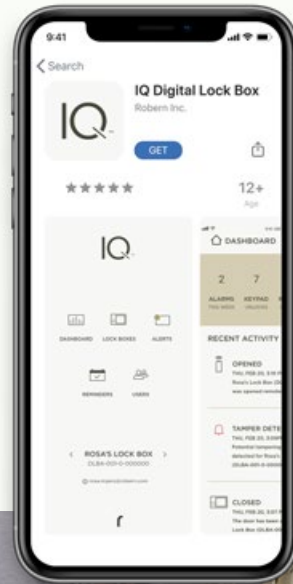

Conveniently recharge your devices and power frequently used styling tools such as electric razors, toothbrushes, and hair dryers using the two plugs mounted inside the cabinet.

Safety

An interior mounted lock box offers a smart, secure, and precautionary way to store prescription medications, valuables, and personal items.

Receive smartphone notifications in real-time when the lock box is accessed. Featuring three methods of secure entry, as well as remote monitoring on your smartphone, this smart storage solution offers total control, safety, and peace of mind.

ADD-ON ACCESSORY

IQ™ DIGITAL LOCK BOX

Designed to seamlessly fit your Vitality Lighted Medicine Cabinet, in a coloration that blends inconspicuously into the interior, the IQ Digital Lock Box features improved technology, remote access, and tamper notifications to keep your most important items secure.

Storage

Configure the Vitality Lighted Medicine Cabinet to maximize the space available and create a well-crafted storage solution that complements your design. The spacious interior and inspired organizational features let you store your essentials out of sight — but always close at hand.

ADD-ON ACCESSORY

GLASS STORAGE BINS

Keep loose items from spilling out of the cabinet with stylish glass bins that optimize storage space. Available in multiple sizes and configurations, these glass bins are designed to seamlessly fit and complement your Robern cabinet.

ORGANIZATION TRAYS

The three-tier tray neatly holds small items like eyeglasses, cosmetics, and hair accessories, while the razor/phone holder keeps the items you use most within easy reach.

Ergonomics

Intuitive functionality allows you to move efficiently through your space, taking the stress out of the daily routine. The Vitality Lighted Medicine Cabinet features enhanced ergonomics to ensure unparalleled convenience, accessibility, and ease of use.

ADD-ON ACCESSORY

PULL-OUT MAGNIFICATION MIRROR

When mounted inside the Vitality Lighted Medicine Cabinet, this magnification mirror extends outwards and can easily be adjusted for the perfect angle and positioning — then nests cleanly in the cabinet when not in use.

ADD-ON ACCESSORY

PUSH-TO-OPEN KIT

With a soft press, the optional push-to-open mechanism easily opens your cabinet for access to your essentials.

ADD-ON ACCESSORY

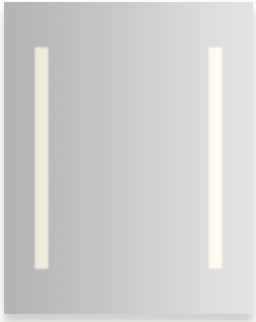

HANDLE KIT

Constructed from solid stainless steel with a polished chrome finish, an optional handle provides an easy-to-reach alternative to the hidden pull on the door edge — ideal for multi-cabinet arrays or full-length cabinets.

Vitality Lighted Mirrors

See yourself in the best light. Vitality Lighted Mirrors enhance the everyday routine with high-quality task lighting in an array of light patterns to complement your design.

Quality of Light

With a high lumen output, remarkably accurate color rendering, and ideal light placement in relation to the face and body, the Vitality Lighted Mirror delivers rich, saturated tones for the truest reflection.

Technology

Streamline your daily routine with cutting-edge dimming and defogging technology that provides the ideal lighting for any task and a seamless transition from shower to grooming.

INCLUDED

DEFOGGER

Convenient defogging technology ensures a clear reflection every time — so a steamy shower won't slow down your morning routine.

INCLUDED

DIMMABLE LEDS

Select bright lighting for close-up tasks, or create a soft glow that gently illuminates the space for safer wayfinding at night. The Vitality Lighted Mirror features LED lighting dimmable to 1% using a standard residential dimmer that works with your home's existing wiring.

Functionality

From the stress-free installation process to the industry-leading quality of light, each detail of the Vitality Lighted Mirror was thoughtfully designed to bring simplicity to your styling space.

INCLUDED

EASE OF INSTALLATION

With simple plug-in installation and durable pinch cleat mounting, the Plug and Hang™ system makes installation effortless for both new construction and renovations.
