

Balletto™ Vanity

Room Designer: Alena Capra Design

An everyday classic embraces statement-making design. The Balletto vanity conveys a sense of style that is both transitional and contemporary. You will find a balance of comfort, functionality and elegance in a timeless, minimalist design. Hidden storage options house hand towels, tissues, waste, magazines and small items to provide a level of convenience while minimizing space.

Balletto Vanity

THE INSPIRATION

The Balletto vanity captures the legs and pointe work of a ballerina and translates that grace and precision into the vanity. The long slender needle-like point of the legs are reminiscent of a stiletto, demonstrating balance, symmetry and sophistication.

HIDDEN STORAGE SOLUTIONS

Discover the perfect find with hidden side storage solutions. Your vanity comes with empty side storage and works well for storing large items. To further personalize your storage, you can easily install additional side storage options. From storing magazines to tissues, bathroom design does not get more luxe than this.

FEATURES

PLUMBING DRAWER

Smart design maximizes storage space and offers a luxurious feel while separating items from plumbing.

TIP OUT DRAWER

A solution for slim vanities and wasted plumbing space is here with our new tip out option. This drawer keeps makeup and small items where you need them most - right at your fingertips. Only available in the 7-1/2" height option (H1).

NIGHT LIGHT

The night light provides a soft light that illuminates the drawer interiors to help locate items in the middle of the night.

ORGANIZATION KIT

Adjustable drawer dividers provide storage right where you need it and prevent items from moving or sliding in the drawer.

ADD-ON ACCESSORIES

VANITY TOPS AND SINKS

Stone vanity tops are available in Lava Black, Stone Gray or Quartz White and include a separate white rectangular sink. White glass vanity tops with integrated glass sinks can help you build a look you'll love.

IN-DRAWER ELECTRICAL OUTLETS

Convenient 110-volt in-drawer electrical outlet supplies power to items such as electric razors, hair dryers and curling irons.
